

# Οι πυραμίδες ταξινομούνται ανάλογα με το πολύγωνο της βάσης τους

Τριγωνική πυραμίδα	Τετραγωνική Πυραμίδα	Πενταγωνική πυραμίδα	Εξαγωνική πυραμίδα
 A 3D diagram of a triangular pyramid (tetrahedron) with a triangular base and three triangular lateral faces meeting at a single apex. The base is shaded orange, and the hidden edges are shown as dashed lines.	 A 3D diagram of a square pyramid with a square base and four triangular lateral faces meeting at a single apex. The base is shaded orange, and the hidden edges are shown as dashed lines.	 A 3D diagram of a pentagonal pyramid with a pentagonal base and five triangular lateral faces meeting at a single apex. The base is shaded orange, and the hidden edges are shown as dashed lines.	 A 3D diagram of a hexagonal pyramid with a hexagonal base and six triangular lateral faces meeting at a single apex. The base is shaded orange, and the hidden edges are shown as dashed lines.
