Customer Tips:

How to get TPT credit to use on future purchases:

- Please go to your My Purchases page after you log in. Beside each purchase see a Provide Feedback button. Simply click it and you will be taken to a page where you can give a quick rating and leave a short comment for the product. Each time you give feedback, TPT gives you feedback credits that you use to lower the cost of your future purchases. I value your feedback greatly as it helps me determine which products are most valuable for your classroom so I can create more for you.
